

Veterinary Surgeon for High Volume Spay / Neuter Clinic

Do you have a desire to make a difference in the lives of animals? Would you like to do so in a way that offers a good work/life balance with no weekends, holidays, or a long work week?

This 3 day a week (negotiable) position, has minimal client contact, follows quality medical protocol and comes with a trained and capable support team of surgical registered veterinary technicians.

The Lincoln County Humane Society Animal Clinic is a high volume/low cost spay neuter clinic located at 160 Fourth Ave in picturesque St. Catharines, in the Niagara Region. Open since 2011, we have sterilized over 25,000 cats and dogs. We offer spay/neuter surgeries to the public, local rescue organizations, and for humane society animals. The clinic is currently open Mondays, Wednesdays and Fridays. We are open to having a number of part-time surgeons to help accomplish this.

Job Responsibilities

- Ensure overall health, treatment and diagnosis of animals during intake screening in accordance with policy and guidelines,
- Ability to perform on average, 28 spay/neuter surgeries per day once fully up to speed,
 - Surgeries are primarily a high volume of spay and neuter surgeries, including pediatric patients
 - Perform necessary surgeries and medical treatments in accordance with accepted professional standards
- Ability to work in a fast-paced environment,
- Ability to make consistent and sound decisions regarding an animal's health,
- Prescribe and administer medications and vaccines as appropriate,
- Maintain compliance with LCHS policies and procedures, and
- Must have a current veterinary license in good standing with the College of Veterinarians of Ontario (CVO).

Benefits:

- Competitive compensation package
- Convenient schedule:
 - No evenings
 - No weekends
 - No holidays
 - No emergency call-ins
